TUNAP **works.**

[TUNAP.com](https://www.tunap.com)

FROM THE FIRST IDEA TO YOUR CUSTOMERS HOME

With our many years of experience and in-depth process knowledge, TUNAP can fulfil all specific requirements of your industry. We offer you a comprehensive service from product development to the delivery of finished products.

The TUNAP R&D team formulates concepts related to care products, cleaning agents, lubricating greases, oils, pastes and additives – highly specialised or cost-optimised.

We are pleased to present you today our division **PRIVATE BRAND**.

You can find our complete 2024 catalogue here:

TUNAP – YOUR SINGLE SOURCE SUPPLIER

Love for the product, individual support, many years of experience and a high degree of flexibility convert us to your ideal partner for successful innovations and efficient solutions.

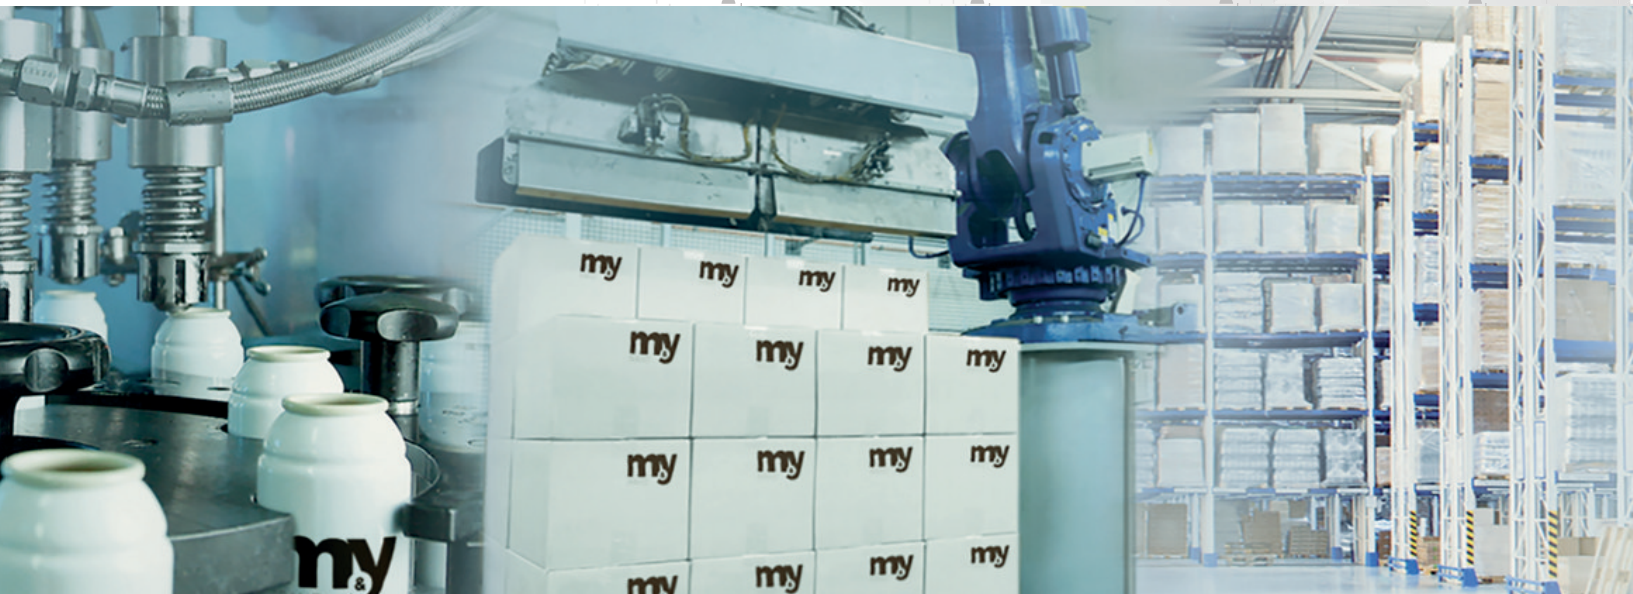

R & D

- Recipes in line with the market according to the latest insights from science and technology
- Test runs and test fillings on modern systems
- Scale-ups, stability tests including associated analyses

PRODUCT MANAGEMENT

- Individual product and product range support
- Professional project management for the introduction of new products
- Compliance and print data checks

With over five decades of experience, more than 700 employees worldwide, three production facilities and 16 filling lines, TUNAP is one of Europe's largest aerosol manufacturers.

PRODUCTION

LOGISTICS

- State-of-the-art filling technologies
- Maximum product reliability and certified production standards
- Economies of scale

- Optimised sourcing due to high purchase volume
- Daily pickups and drop shipments
- Delivery reliability thanks to long-standing supplier network

TUNAP – INTERNATIONAL

Our global network enables us to accompany you all the way from the product idea through to product implementation.

CONTACT US DIRECTLY AT MYBRAND@TUNAP.COM

YOUR PARTNER FOR PRIVATE LABEL AND OWN BRAND

Our unique selling point is that we handle research, development, production and logistics inhouse. We accompany you from the procurement of raw materials through production to labelling and finally the market launch of your product.

In the private brand sector, also known as private label or white label, we specialise in individual solutions. We offer customised products that are precisely tailored to the requirements of your target group. Our customers include renowned manufacturers in the independent aftermarket and companies in wholesale and retail.

The TUNAP GROUP is an international manufacturer of aerosols, lubricants and cleaners for industrial and technical applications. With our own innovative products and a worldwide sales organisation, we are an important industry partner. Over 30,000 customers rely on TUNAP products. The company is active in the Automotive, Industry, Private Brand and Sports and offers well-known products in the automotive and industry sector. The company was founded in 1974 and is headquartered in Wolfratshausen (Bavaria/Germany).

OPERATING FOR HALF A CENTURY: TUNAP CELEBRATES ITS 50TH ANNIVERSARY

TUNAP looks back on fifty successful years in 2024. Sales of the TUNAP brand began in 1974 and today TUNAP is one of the global technology leaders in the production of aerosols, lubricants and cleaners for industrial and technical applications.

For half a century, the family business has stood for innovation, intelligent products and reliable production. As a global player rooted in Bavaria, TUNAP is represented by its own companies in seventeen markets in Europe, America and Asia. In total, the TUNAP Group employs over 700 people worldwide and generates an annual turnover of around 243 million euros (2023).

COMPREHENSIVE SERVICE FOR YOUR PRODUCT REQUEST

TUNAP - CERTIFIED QUALITY AND SUSTAINABILITY

We possess ISO 9001, ISO 14001, ISO 45001 and IFS higher level certification.
We are currently optimising our processes and seek to obtain IATF 16949 certification.

Whether B2B or B2C, ever greater quality is being demanded by consumers.
Have your product certified in order to meet these requirements.

As a full-service provider, we also offer further added value by inspecting the certification of your product.

EXAMPLE: E002 Multipurpose Foam Cleaner A1*:

This formulation is suitable as an all-purpose cleaner for any surface, including in the food processing industry.

NSF-certified.
(NSF registration no. 161536).
